

## Earth Flag Certification for DuPage County Organizations Funded by the DuPage County Environmental Committee

**Show that your organization is conserving resources  
and creating a healthy environment!**

### **How can your organization earn an Earth flag?**

**Employee Training:** Schedule a time for SCARCE to train your green team or 75% of your staff on recycling, green cleaning, energy conservation, and related issues.

**Green Audit:** Arrange for SCARCE to audit all of your buildings for energy use, water consumption, indoor air quality, green cleaning, resource conservation, recycling, and advanced recycling (i.e. fluorescent bulbs).

**Conservation Activity:** Sponsor a waste or energy reduction activity.

**Recycling Program:** Implement a comprehensive recycling program.

**Volunteer Event:** Volunteer at a community event that improves the environment.

*Create a power point presentation that documents your actions and your organization will receive an Earth Flag at a public ceremony!*

*Contact SCARCE for details.*
