

NATURALLY GROWN

Learn how to manage a chemical free lawn

A FREE Interactive Event

Saturday, October 21st

10 am - Noon

Grace Bible Church parking lot
398 W. Eggleston Ave., Elmhurst, IL

This **family-friendly**, interactive event uses hands-on activities to demonstrate a natural lawn care approach that avoids the use of toxic and potentially harmful pesticides. Stay for a brief overview of the natural lawn care practices being implemented in Elmhurst, and enter to win free Patagonia items! To RSVP or for more information: ecoolcities@gmail.com or 630/426-9789.

This event will move inside of Grace Bible Church in the case of inclement weather
