

Corrugated Plastic Sign Recycling November 7-19, 2018 (all hours) Lombard Village Hall Parking Lot 255 E. Wilson Avenue

During the post-election period, Lakeshore Recycling Systems will collect corrugated plastic signs and metal stands at no cost. Two containers, one for corrugated plastic and one for metal, will be open to the public for centralized collection.

Only corrugated plastic will be accepted. These signs are chemically different from numbered plastics so they require specialized processing. Other types of signs including vinyl, cardboard, and bags will not be accepted.

Municipal, Township and Campaign offices in DuPage County may contact SCARCE at 630-545-9710 or info@scarce.org to request a pick up of large quantities (more than 50) by a volunteer.

Contact Lombard Public Works at 630-620-5740 or publicworks@villageoflombard.org for more information.
