

## Sustainable Design Challenge Sponsorship Levels

The Sustainable Design Challenge offers a fantastic opportunity for local sustainable design professionals to give back to the community through active sponsorship. In addition to financial support, we ask sponsors to take an active role by serving as judges for student projects and hosting a booth during the afternoon career exploration fair. Sponsor involvement provides a level of feedback and real-world career connections not rivaled in the classroom.

For more information and to register as a sponsor visit [www.scarce.org/sdc-sponsorship](http://www.scarce.org/sdc-sponsorship)
