

SCARCE

# Partner With SCARCE

SCARCE is a local 501(c)(3) nonprofit committed to strengthening our communities through partnership with businesses and organizations like yours. With environmentally focused initiatives that make the world a better, cleaner place, we've spent thirty years creating real, actionable changes that make a difference.

**For over 30 years, SCARCE has been implementing change to foster a more sustainable future.**

## We do this by being a:

### Resource

*Our educational programming focuses on simple, practical ways to adopt greener practices into residential and commercial areas.*

### Advocate

*We recognize opportunities for change, fighting against environmental hazards and issues in order to move forward.*

### Partner

*We work closely with local schools, businesses, and elected officials to bring better, greener solutions to our communities.*

## We can help you:

### Save Money

*Our waste audits help you discover where you can reduce spending throughout your building.*

### Save Resources

*Our flag programs combine recommendations, training, and community involvement to help you demonstrate your commitment to sustainability.*

SCARCE saved one company over \$400K in one year by auditing their practices, raising awareness, developing a recycling system, and providing the guidance needed to carry the new system forward—and we can help you too!

## You can help us by:

**Donating time** to local organizations by encouraging your team to use VTO hours with SCARCE.

**Donating funds** to your community by supporting our many eco-focused initiatives.

**Donating business services** to our partners in order to facilitate collective growth.

# Our global environmental initiatives harness technology and innovation to make a real impact on communities like yours.

**10 Million**
